

Wonderzone

Dear Parent/guardian

We have decided to organise our holiday Bible club in a different way this year, and hope your children will enjoy what we have planned.

Each week there will be an online video to watch, launching on Monday morning. You can come to the church to collect craft materials for the week and watch this video again, or for the first time, at 2pm or 3pm on the Monday.

On the Thursday we hope that the children will be able to meet us in small groups for an online zoom holiday club party. Each group of children will be with two of our church members who have all been DBS checked.

If you are not able to access online, could you let us know, and then we can make alternative arrangements.

We hope this will all be fun – and hope to have you back together for next year.

With love and God bless

The Holiday Club Team

Stephanie Gillingham, Rector
